Brady Shines Awards Four Organizations for Healthy Living Cycle

Las Vegas – [Brady](#), a full-line janitorial supply, equipment and foodservice distributor, which launched its charitable giving campaign “Brady Shines” as part of its 70th Anniversary celebration in 2017, is thrilled to announce the beneficiaries from its 7th grant cycle March - May. This cycle was also the first to have the added theme of “Healthy Living”. Over 150 applications from all Brady territories were submitted applying for funds to benefit education- and youth-based organizations with a focus on programs that promote healthy lifestyles.

“Brady Shines continues to support outstanding organizations across our communities. We are also proud to generate awareness for these groups through this program,” said Travis Brady, President and CEO.

[High Plains Helping Hands](#) – Colorado Springs, CO - Funds will be used to convert 1.5 acres of land into a sustainable farm and garden for disadvantaged families. The fresh food and resources cultivated are donated while jobs are created as well. Funds will go to the creation of 45 raised beds, an irrigation system and materials to protect the crops.

[ICAN: Positive Programs for Youth](#) – Chandler, AZ - For almost 30 years, ICAN has been dedicated to providing free programs that empower youth to be productive, self-confident and responsible members of the community. Funds will go to the following programs: The Child and Adult Care Food Program which provides kids with nutritious snacks, lunches during school breaks and dinner Monday – Friday. Another portion will go to their Playworks program which focuses on the power of structured outdoor physical activities. And the final allocation will to their Garden Club.

[Lake Hazel Middle School](#) – Boise, ID – Grant dollars will go to support the before school basketball program where every morning up to 75 students start their day with a healthy activity in a safe environment.

[YMCA of Northern Utah](#) – Salt Lake City - The award will fund increased access to their winter sports program for low-income children, specifically the Y I Ski Winter Sports Program serving kids ages 7-18 who otherwise would not be able to afford the associated costs of staying active through winter sports.

Brady Shines’ 8th cycle with a focus on Safety & Well Being launched June 1 and will accept applications through August 30. Non-profits in all Brady geographic territories focused on education- and youth-based programs are invited to submit grant proposals for consideration. Organizations from the previous cycles are welcome to apply again. Full details are available at www.bradyshines.org.

ABOUT BRADY:

Brady has been pioneering the way products and solutions are delivered to facility and foodservice professionals since 1947. At the heart of Brady's operation is a community-minded culture driven by a workforce of more than 350 employees currently in 15 locations throughout Nevada, Utah, Arizona, Idaho, New Mexico, Colorado, Maryland, California and Texas including its original Las Vegas, Nevada headquarters.

Brady's approach to partnership is unique by providing integrated customer support, expertise, technical support, and service across a full spectrum of customer needs including extensive facility offerings, complete dish machine and laundry machine service, equipment sales, rentals and service and foodservice supplies. Brady provides these specialized solutions for customers in key commercial market segments including hospitality, education, healthcare, government, building service contractors and more.

In 2017, Brady debuted its formal charitable giving program Brady Shines providing funds for youth- and education-based non-profits in all territories Brady serves. Learn more at www.bradyindustries.com.
