BRADY'S INAUGURAL EMPLOYEE RECOGNITION DINNER A SUCCESS

Celebrating 10th, 15th, and 20+ Milestone Anniversaries for Brady Team Members

As part of Brady's new Employee Recognition Program which honors long-term Brady team members celebrating milestone anniversaries, we hosted the inaugural dinner for those marking their 10th, 15th and 20th or greater anniversary in 2014. On Saturday, January 24th, at Michael Mina restaurant at the Bellagio, honorees and their guests celebrated with an amazing dinner followed by a presentation from President/CEO Travis Brady of commemorative awards. "This doesn't feel like a work dinner," he said. "It feels like we are among family."

"I thought it was a wonderful evening," commented Angie Trombi, a Purchasing Buyer in Las Vegas celebrating 15 years with Brady. "The food was great, the atmosphere was wonderful and it was great to meet others that I didn't know from other locations. I can't wait to do it again in five years!"

Brady team members celebrating their 5-year anniversary in 2014 will also receive commemorative awards marking their achievement. The 31 employees honored this year represent a total of 449 years with Brady!

"There is no question that Brady's greatest asset is the employees," added Travis Brady. "We are thrilled to honor these deserving people and look forward to this new tradition in Brady's history."

Congratulations to the 2014 honorees! Please see the following page for a full list of recipients. Photos from Saturday's event can be viewed [here](#).
