### **Brady Industries Announces New Sales Representatives in El Paso Branch**

Brady Industries, a full-line janitorial supply and equipment distributor, is pleased to welcome two new team members to the El Paso branch office reporting to General Manager Albert Salazar, Jr.

Christie Macias, a 12-year sales veteran, will focus on the Las Cruces, NM territory as Brady continues to grow in this area. While new to the cleaning distribution industry, she has an extensive business development background in residential and commercial security packages.

Silvia Osuna is also joining the El Paso office to support both El Paso and southwest New Mexico markets. With over 10 years industry sales experience, she brings valuable relationships and knowledge to the Brady team. Silvia is a graduate of New Mexico State University where she earned a Bachelor's degree in Criminal Justice and a minor in Government.

"Both Christie and Silvia bring a tremendous amount of enthusiasm and experience to Brady El Paso," says General Manager Albert Salazar, Jr. "They are both a perfect fit with our culture and we are excited to have them here to support our ever-growing presence in these territories."

### **About Brady Industries**

Since 1947, Brady Industries has supplied customers with top quality facility supplies and commercial cleaning equipment. Headquartered in Las Vegas, Nevada, with 12 locations throughout Utah, Nevada, Arizona, Idaho, New Mexico and Texas, Brady Industries has expanded its offerings to include a complete dish machine and laundry machine service to its already extensive facility offerings as well as an equipment sales and service division. Brady Industries provides specialized solutions for customers in key commercial market segments including hospitality, education, healthcare, government, building service contractors and more. For additional information about how Brady Industries can reduce your total cost while improving service, call (800) 293-4698 or visit [www.bradyindustries.com](http://www.bradyindustries.com).
