Brady Industries Acquires Nuklean in Provo, Utah

Las Vegas – [Brady Industries](http://www.bradyindustries.com), a full-line janitorial supply, equipment and food service distributor, is pleased to announce the acquisition of the Provo, Utah operations of Nuklean in order to strengthen our presence in Utah County and provide further resources to our growing Utah customer base.

Hani Elkebbi will continue to oversee business development for Utah County and will be reporting to Tomi Huffman out of Brady's Salt Lake City branch.

"We are excited for this opportunity to provide a more significant presence in the Provo area," said Travis Brady, President and CEO of Brady Industries. "Extending increased resources to this region is a wonderful extension of the growing Brady brand in Utah."

About Brady Industries

Since 1947, Brady has supplied customers with top quality facility supplies and commercial cleaning equipment. Headquartered in Las Vegas, Nevada, with 12 locations throughout Utah, Nevada, Arizona, Idaho, New Mexico and Texas, Brady has expanded its offerings to include a complete dish machine and laundry machine service to its already extensive facility offerings as well as an equipment sales and service division and food service. Brady provides specialized solutions for customers in key commercial market segments including hospitality, education, healthcare, government, building service contractors and more. For additional information about how Brady can reduce your total cost while improving service, call (800) 293-4698 or visit www.bradyindustries.com.
